L. 1994, p. 4675), so as to continue in existence and reconstitute the authority; to provide for legislative findings; to provide for the termination of the terms of members of the authority appointed under previous law; to provide for the appointment of members and their qualifications, terms, chairperson, quorum, meetings, vacancies, and compensation; to provide for perpetual existence of the authority; to provide for ratification of outstanding revenue bond debt; to revise the powers of the authority; to provide that the authority shall exercise its powers with the consent of the Board of Commissioners of Walton County; to expressly authorize lease of the assets of the authority, transfer of the authority's employees, and the provision of advice and recommendations to the Board of Commissioners of Walton County; to provide for related matters; to provide for an effective date; to repeal conflicting laws; and for other purposes.

**BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:**

**SECTION 1.**

An Act creating the Walnutgrove-Youth Water Authority, now known as the Walton County Water and Sewerage Authority, approved April 3, 1972 (Ga. L. 1972, p. 3623), as amended, particularly by an Act approved April 5, 1994 (Ga. L. 1994, p. 4675), is amended by inserting a new section to be designated Section 1.1 to read as follows:

"Section 1.1. The General Assembly finds that it is advantageous to reconstitute the Walton County Water and Sewerage Authority for the following reasons:

- (1) The exceptionally rapid growth of the county requires careful planning for infrastructure, which would be made easier by reconstituting the authority;
- (2) The planning and construction of a reservoir designed to fulfill the county's water needs for the next several decades inaugurates a new era for the county and the authority,

and renders obsolete the election of three members of the authority by users of the authority's facilities, since it is now more important that the members of the authority represent the entire county;

(3) The appointment of three members of the authority by the governing authorities of the City of Monroe, the City of Loganville, and the City of Social Circle is also obsolete, since these cities manage their own water and sewer systems; and

(4) Close coordination of expansion of the sewerage system with planning for commercial and business development would be more feasible with a reconstituted authority."

## **SECTION 2.**

Said Act is further amended by striking Section 2 and inserting in lieu thereof the following:

"Section 2. (a) This Act continues the existence of a body corporate and politic, known as the Walton County Water and Sewerage Authority, which is deemed to be a political subdivision of the State of Georgia and a public corporation and by that name, style, and title said body may contract and be contracted with, sue and be sued, implead and be impleaded, and complain and defend in all court of law and equity.

(b) The terms of members of the authority appointed under the provisions of prior law and serving on the authority on the effective date of this Act shall terminate at noon on the effective date of this Act. On and after 12:01 P.M. of the effective date of this Act, the authority shall consist of seven members appointed by the Board of Commissioners of Walton County, one of such members appointed by each district commissioner and one of such members appointed by the chairperson of the board of commissioners.

(c) Each member of the authority shall be a resident of Walton County and shall live within the service area of the authority. Members of the authority shall be appointed for terms of one year and until their successors are appointed and qualified. Members of the authority shall serve at the will and pleasure of the Board of Commissioners of Walton County. Any member of the authority may be appointed to succeed himself or herself.

(d) The members of the authority shall elect one of their number as chairperson. Four members shall constitute a quorum. No vacancy on the authority shall impair the right of the quorum to exercise all the rights and perform all the duties of the authority. The authority shall meet at least annually in the month of January of each year and at such other times as the authority may deem necessary.

- (e) In the event of a vacancy on the authority for any reason, a replacement member to complete the unexpired term shall be appointed in the same manner as the member whose absence created the vacancy.
- (f) The members of the authority shall be compensated in the amount of \$75.00 for each meeting of the authority attended by a member. All compensation shall be from funds available to the authority.
- (g) The authority shall have perpetual existence. The authority as reconstituted by this Act continues in existence the authority created by the 1972 Act, despite the changes in name and membership. All revenue bond debt of the authority outstanding on the effective date of this Act is expressly ratified and confirmed as revenue bond debt of the authority reconstituted by this Act."

### **SECTION 3.**

Said Act is further amended by striking Section 4 and inserting in lieu thereof the following:

"Section 4. The authority shall have the following powers to be exercised with the consent of the Board of Commissioners of Walton County:

(8) To make loans with, and accept loans and grants of money or materials or property of any kind from, the State of Georgia or any agency or instrumentality or political subdivision thereof, upon such terms and conditions as the State of Georgia or such agency or instrumentality or political subdivision may require;

(9) To borrow money for any of its corporate purposes and to issue negotiable revenue bonds payable solely from funds pledged for that purpose, and to provide for the payment of the same and for the rights of the holders thereof;

(10) To exercise any power usually possessed by private corporations performing similar functions that is not in conflict with the Constitution and laws of this state; and

(11) To do all things necessary or convenient to carry out the powers expressly granted by this Act."

#### **SECTION 4.**

Said Act is further amended by inserting a new section to be designated Section 4.1 to read as follows:

"Section 4.1. (a) Without limiting the generality of paragraph (5) of Section 4 of this Act, the authority is expressly authorized to enter into a written lease agreement with the Board of Commissioners of Walton County for the lease of all of the assets of the authority and the management of the operations of such assets in exchange for payments by the board of

commissioners sufficient to service the current and future debts and other liabilities of the authority.

(b) In the event that the authority enters into a lease agreement as described in subsection (a) of this section, all persons employed by the authority immediately prior to the execution of such agreement shall become employees of the Board of Commissioners of Walton County, and members of the civil service system of such county, except for the director and department heads, who shall serve at the will and the pleasure of the board of commissioners.
